

CAPABILITY STATEMENT

OVERVIEW

Debtech LLC is a technology-driven software development and digital marketing company based in Ashburn, VA. We specialize in building scalable, intelligent systems that streamline operations and enhance user experiences across industries. Our team has successfully developed a range of platforms, including ABA therapy and behavior tracking systems, employee scheduling and HR tools, AI-powered classroom and course management solutions, eCommerce and grocery delivery platforms, and social media systems for education. We combine deep technical expertise with a strong understanding of user needs to deliver solutions that are both effective and easy to use. In addition to our development services, Debtech LLC offers performance-driven digital marketing, including SEO, Facebook and Google Ads, and data-backed campaign strategies to help businesses grow their online presence. Whether supporting school districts, small businesses, or larger organizations, we bring an agile, customer-focused approach that drives measurable results. Our mission is to empower our clients with innovative digital solutions that create lasting impact.
